FBLEP Mapped to the Western Australian Year 5 Humanities and Social Sciences Curriculum

Civics and Citizenship: Roles, Responsibilities and Participation

Students continue to build on their understanding of the concepts of democratic values, justice and rights and responsibilities as they further develop their understanding of laws, including how they are enforced and how they affect the lives of citizens. Students are introduced to the concept of the Westminster system as they explore the key features of Australia's electoral process. (WAC Civics & Citizenship)

Civics and Citizenship Knowledge and Understanding Strand

History: The Australian Colonies

Students are given the opportunity to develop their historical understanding through the key concepts of sources, continuity and change, cause and effect, perspectives, empathy and significance. These concepts are investigated within the historical context of colonial Australia in the 1800s and the significant events and people who shaped the political and social structures at that time are considered. (WAC History)
Historical Knowledge and Understanding Strand

The patterns of colonial development and settlement (e.g. geographical features, climate, water resources, transport, discovery of gold) and how this impacted upon the environment (e.g. introduced species) and the daily lives of the different inhabitants (e.g. convicts, free settlers, Aboriginal and Torres Strait Islander Peoples) (ACHHK094)
