Dear Ms Dowie

JOINT SIGNING AUTHORITY FROM LAW PRACTICE TRUST ACCOUNTS

The Law Society of Western Australia has identified an issue with the account signing authority within the Property Exchange Australia (PEXA) system, namely the software does not allow for two people (a joint authority) to be required to authorise a payment from the linked law practice trust account, even if that is the authorisation required by arrangement with the bank.

The Law Society seeks your assistance in addressing this as soon as possible to facilitate optimal functionality of the PEXA system.

Should you have any queries in relation to this matter please contact Mary Woodford, General Manager Advocacy on mwoodford@lawsocietywa.asn.au or (08) 9324 8646.

Yours sincerely

Greg McIntyre SC
President
