

## WORKING AT THE LAW SOCIETY OF WA

To attract and retain the brightest and best employees, the Law Society promotes work-life balance as a high priority.

At the Law Society of Western Australia, we acknowledge that the quality of our working environment has a direct impact on our overall enjoyment of life. We offer a series of policies and benefits to recognise the contribution of our staff, maintain employee engagement and morale, and increase productivity.

The Society prides itself on the lifestyle benefits provided to our staff, and we feel that this work-life balance can only enhance the service we provide to our members and ensure a better workplace for all.
