PRO BONO REFERRALS

The Law Society conducts a Law Access Public Interest Law Clearing House which coordinates referrals (approved within guidelines) of clients to law firms which are willing to provide legal assistance on a pro bono basis. Visit the website lawsocietywa.asn.au/pro-bono-scheme for further information. Referrals are only made following means and merit testing of applications for the service.

Would your firm be interested in joining the Law Access PILCH pro bono referral register?

Please note your details are not given to applicants in the first instance. In the event of an appropriate referral, you will be contacted by Law Access to determine your interest, availability and capacity to assist. There is no obligation to accept a referral.

Yes our firm may be contacted to discuss appropriate pro bono referral matters. Please list preferred areas of referral and any limitations to your firm's pro bono capacity (e.g. no litigation, assist not-for-profit organisations only).

Please list preferred contacts at your firm with whom Law Access can discuss pro bono referral matters.
