

LAW SOCIETY JOBS BOARD

List your legal positions on the Law Society's Jobs Board and connect job seekers with your vacancies.

As the voice of the legal profession in Western Australia, we understand the need to support the ever increasing number of lawyers seeking positions as well assisting firms in minimising the costs associated with advertising their vacant positions.

This new initiative allows law firms, government departments, corporates and other organisations to list their vacant legal positions for a fraction of the price of other job-search platforms.

As an added benefit, firms with over 50% of their fee earners as Law Society members can list their vacant positions for FREE; another reason why the Law Society is the essential membership for the legal profession.
