Ms Paula Wilkinson
President
Law Society of WA
Level 4 160 St Georges Tce
Perth 6000

Dear Ms Wilkinson

Thank you for the opportunity to meet in January 2025 to discuss the Law Society's *Better Access to Justice for all Western Australians* for the 2025 state election.

The Greens (WA) believe everyone has the right to safety, peace and freedom from violence and that investment in community engagement and early intervention should be prioritised over punitive regimes centred on incarceration.

Your four top line areas of reform and supporting priorities for each are vital for a well-resourced, fair and equitable legal system that recognises and accounts for the cultural, social and economic issues that structure it. We proudly support the *Better Access to Justice for all Western Australians* campaign in full.

The Greens (WA) proudly support any initiatives which overcome social, cultural and economic barriers to accessing justice, particularly those experienced by First Nations peoples.

You can find the Greens (WA) justice policy [here](#).

After the election we hope to have more members of the Legislative Council and look forward to working with the Law Society in the delivery of a fairer and better resourced justice system in WA.

Yours sincerely

Hon Dr Brad Pettitt MLC
Member for South Metropolitan
